**Re:     Administrative Permit Amendment Request**  
**P147-R1, AI-527, Correction to Facility Location Information**

Freeport-McMoRan Tyrone, Inc. (Tyrone) requests an Administrative Permit Amendment to Title V Operating Permit No. P147-R1, issued by the New Mexico Environment Department, to correct the facility location information. In preparing the permit application, Tyrone included Sections 10, 11, 13, 14, 15, 16, 17, 21-28 of Township 19 South, Range 15 West in its air quality modeling and on the application's site location map. However, it recently came to our attention that the written description at Section 1-D "Facility Location Information" of the permit renewal application inadvertently did not include Sections 13 and 17. As a result, the permit also does not include these two (2) Sections in the facility description found at Permit Condition A102.B. To correct this error, Tyrone respectfully submits this administrative permit amendment to correct condition A102.B. of the Title V Operating Permit P147-R1 to read "This facility is located at UTM Zone 12, UTMH 754.50 km, UTMV 3616.80 km, in Township 19S, range 15W, Sections 10, 11, 13, 14, 15, 16, 17, 21-28, approximately 4.0 miles southwest of Tyrone, New Mexico in Grant County". Likewise, Section 1-D of the Title V Operating Permit Renewal Application, should read: "Sections 10, 11, 13, 14, 15, 16, 17, 21-28 of Township 19South, Range 15West".

If there are questions concerning this request, please contact Mr. Edward L. Horst at 575.912.5759.

Sincerely,

Timothy E. Eastep, Manager  
Environmental, land & Water
